Notice Concerning Extension of Mining Concession of Liddell Coal Mine in Australia

We hereby announce that today, the Independent Planning Commission of the State Government of New South Wales, Australia has decided to reject our application for environmental permission and license regarding the extension of the existing mining concession of Liddell Coal Mine into the adjoining mining area. As of this announcement, there is no direct impact on the existing concession from this decision, and no impact on the consolidated performance of the Company for the fiscal year ending March 31, 2023.

The Company is reviewing the decision made by the Independent Planning Commission of the State Government of New South Wales, Australia and shall promptly disclose any matters, should there be any that require disclosure from our Company.
